## Meeting Room Guidance

**Fire Alarm Evacuation:** in the event of an alarm sounding please evacuate the building using the nearest fire exit, normally through the Council Chamber. You should assemble at the far side of the plaza outside the main entrance to the building.

**Toilets:** are located to the rear of the building near the lift and stairs to the first floor.

**Mobile Phones:** For the benefit of others please ensure that your mobile phone is switched off whilst you are in the meeting.

**Microphones:** When you are invited to speak please press the button on your microphone, a red light will appear on the stem. Please ensure that you switch this off after you have spoken.

## Recording at Meetings

The Openness of Local Government Bodies Regulations 2014 allows filming and recording by anyone attending a meeting. This is not within the Council's control.

Rushcliffe Borough Council is committed to being open and transparent in its decision making. As such, the Council will undertake audio recording of meetings which are open to the public, except where it is resolved that the public be excluded, as the information being discussed is confidential or otherwise exempt.

#### LATE REPRESENTATIONS FOR COMMITTEE

1. **NATURE OF REPRESENTATION:** Objection  
**RECEIVED FROM:** Neighbour

#### **SUMMARY OF MAIN POINTS:**

Neighbour submitted further comments in response to the revised set of plans, maintaining their objection. The proposed full height doors would significantly add to the massing of the dormer compared to that proposed under application 08/00751/FUL. The Juliet balcony proposed in the amended plans would not have vertical metal bars and does not appear to meet the definition of a Juliet balcony, as it would be a single rail positioned across the opening doors. Concern that the originally proposed walk- out balcony could still be used.

#### **PLANNING OFFICERS COMMENTS:**

In the event that planning permission is granted, a condition is proposed (condition 4) to prevent the use of the flat roof area in front of the Juliet balcony as a balcony, roof garden or any other similar amenity area for the lifetime of the development. The revised rear elevation plan on drawing 70421/7A dated 7<sup>th</sup> July shows a fixed balustrade comprising vertical bars in addition to two horizontal bars to prevent access on to the flat roof area. The agent has provided additional information and an illustrative photo of the proposed balustrade which is on the planning file dated 10<sup>th</sup> August.

2. **NATURE OF REPRESENTATION:** Amendment to condition  
**RECEIVED FROM:** Case officer

**SUMMARY OF MAIN POINTS:**

Should members be minded to accept the officer recommendation it is proposed that the wording of condition 4 as set out in the officer report is amended to clarify that the area in front of the Juliet balcony is not permitted for use as a roof garden.

The proposed revised condition is as follows:

“The Juliet balcony shall be fitted with a fixed balustrade in accordance with drawing 70421/7A prior to the development being brought into use and the area of flat roof in front of the Juliet balcony must not be used as a balcony, and notwithstanding the details shown in drawing 70421/7A a roof garden, or any other similar amenity area whatsoever for the lifetime of the development.
