DECISION

PLANNING PERMISSION BE REFUSED FOR THE FOLLOWING REASON

1. The proposal would result in an inappropriate form of development in the Green Belt, which is harmful by definition, and also to the openness and character of the Green Belt at this location. It is not considered that 'very special circumstances' exist or have been demonstrated to outweigh this harm. Therefore, the proposal is contrary to the policies contained in the National Planning Policy Framework which are applicable to development in the Green Belt and Policy ENV14 of the Rushcliffe Borough Non-Statutory Replacement Local Plan which states:

"Within the green belt as defined on the proposals map planning permission will only be granted for appropriate development for the following purposes:

- a) agriculture and forestry
- b) for other uses which preserve the openness of the green belt, including essential facilities for outdoor sport and recreation and for cemeteries;
- c) alteration and limited extension or replacement of existing dwellings;
- d) limited residential infilling in existing settlements within the green belt.

Planning permission will not be granted for inappropriate development, including the construction of new buildings other than those set out in the criteria, unless very special circumstances can be shown to outweigh the resulting harm to the green belt".

18/01543/FUL – Demolition of garage, two storey side extension and single storey front and rear extensions – 14 The Rushes, Gotham, Nottinghamshire.

Updates
