The development hereby permitted shall be carried out in accordance with the following approved plans:

- Proposed Site Plan and Garage Elevations – ‘1914-060 Rev E’ Received 19/05/2020;
- Street Elevations – 1914-200 Rev C’ – Received 19/05/2020;

The new boundary and retaining walls for the driveway and access shall be constructed only from Bulwell stone to match the existing boundary wall to be partially removed. Stone should be reclaimed from the demolition of the wall, and any additional stone required should closely match the appearance of the existing and reclaimed stone to be used onsite. No other materials shall be utilised in the new boundary and retaining walls hereby approved.

[The condition is required to ensure the appearance of the development is satisfactory and to comply with policies 10 (Design and Enhancing Local Identity) and 11 (Historic Environment) of the Rushcliffe Local Plan part 1: Core Strategy and policies 1 (Development Requirements) and 28 (Conserving and Enhancing Heritage Assets) of the Rushcliffe Local Plan Part 2: Land and Planning Policies].

Prior to any demolition of the boundary wall taking place, a landscaping

scheme for the provision of additional planting as suggested on the approved site plan shall be submitted to and approved by the local planning authority. The approved scheme shall be carried out in the first tree planting season following the substantial completion of the development. Notes to Applicant

The development makes it necessary to construct a vehicular crossing over a footway of the public highway. These works shall be carried out to the satisfaction of the Highway Authority. You are therefore required to contact Via (in partnership with Nottinghamshire County Council) on 0300 500 8080 to arrange for these works to take place.

This permission does not give any legal right for any work on, over or under land or buildings outside the application site ownership or affecting neighbouring property, including buildings, walls, fences and vegetation within that property. If any such work is anticipated, the consent of the adjoining land owner must first be obtained. The responsibility for meeting any claims for damage to such features lies with the applicant.

This grant of planning permission does not alter the private legal situation with regard to the carrying out of any works involving land which you do not own or control. You will need the consent of the owner(s) involved before any such works are started.

You are advised to ensure disturbance to neighbours is kept to a minimum during construction by restricting working hours to Monday to Friday 7.00am to 7.00pm, Saturday 8.00am to 5.00pm and by not working on Sundays or Bank Holidays. If you intend to work outside these hours you are requested to contact the Environmental Health Officer on 0115 9148322.

This Authority is charging for the discharge of conditions in accordance with revised fee regulations which came into force on 6 April 2008. Application forms to discharge conditions can be found on the Rushcliffe Borough Council website.

You are advised that the site is within a designated Conservation Area and any trees are therefore protected. Prior to undertaking any works to any trees you should contact the Borough Councils Conservation and Design Officer on 0115 9148243 and/or the Councils Landscape Officer on 0115 914 8558.
