Process for debating motions at Council – unamended motion

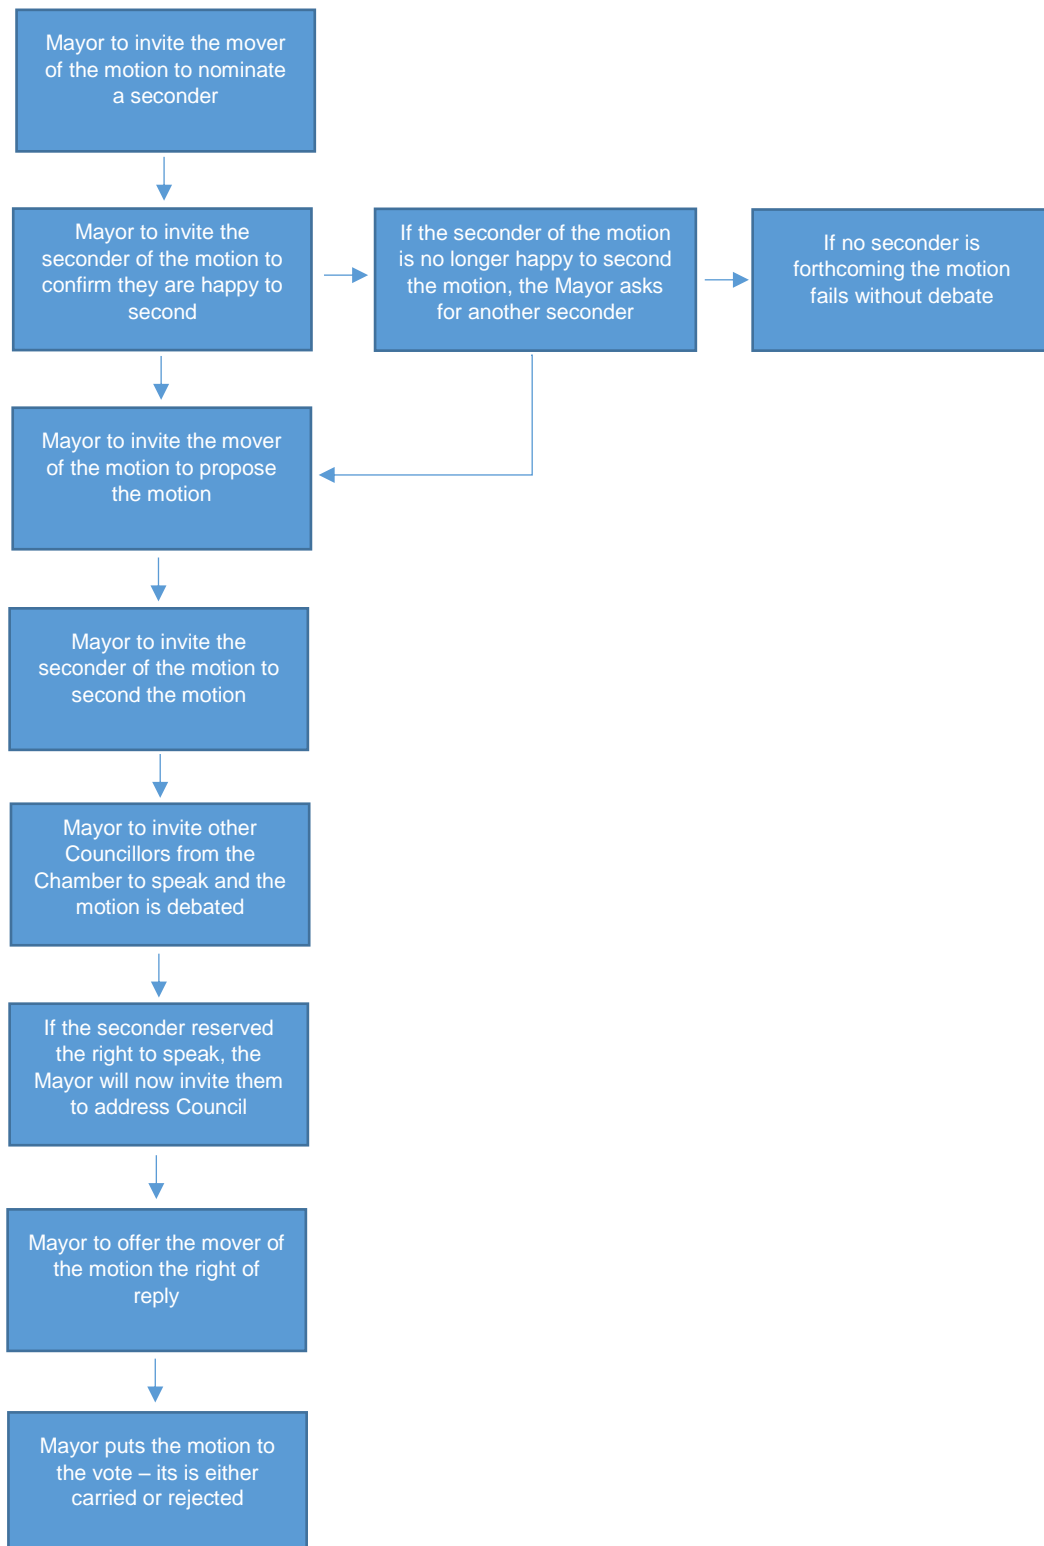

Motions for debate at Council need to be submitted in writing to the Chief Executive and Monitoring Officer no later than 5pm seven clear working days (not including the day of the meeting) before the meeting. Motions that meet the criteria set out in the Council's Constitution and accepted by the Chief Executive and Monitoring Officer will be printed with the agenda pack for the meeting and published five clear working days (not including the day of the meeting) before the meeting. At the majority of Council meetings, motions are debated towards the end of the agenda after the reports have been discussed. The following process is followed until such a point that an amendment to the motion is proposed (this will not happen in all cases). If an amendment is proposed a separate process is followed (please see Process for debating motions at Council – amended motion).

Action	Explanation
Mayor to invite the mover of the motion to nominate a seconder	Motions require a mover (the person who has submitted the motion and will propose it to Council) and a seconder (a supporter of the motion). Without a seconder the motion cannot be moved.
Mayor to invite the seconder of the motion to confirm they are happy to second	If the identified seconder is no longer happy to second the motion the Mayor can open the position out to any Councillor. If there is still no seconder, the motion has failed without debate and the Mayor will move on to the next item on the agenda.
Mayor to invite the mover of the motion to propose the motion	The mover of the motion can speak for ten minutes on the motion. Occasionally, the mover of the motion will propose a change to the motion they have submitted. These are usually minor amendments or clarifications and can be changed with the agreement of the Council. If agreement is not given the mover must present the motion as it appears in the meeting papers.
Mayor to invite the seconder of the motion to second the motion	The seconder may speak for up to five minutes in support of the motion or reserve the right to speak later in the debate.
Mayor to invite other Councillors from the Chamber to speak and the motion is debated	Any other Councillors in the Chamber can speak in support of or against the motion by indicating to the Mayor that they wish to speak and waiting to be invited to do so. They can speak for up to five minutes. The Mayor will invite Councillors to speak in the order that they indicate their wish to speak until no more speakers are waiting or until such a time that they feel the motion has been sufficiently debated and no new points of view are being raised.
If the seconder reserved the right to speak, the Mayor will now invite them to address Council	Often a seconder will reserve the right to speak until later in the debate to assist the mover of the motion in addressing the objections made by Councillors during the

	debate. They may speak for up to five minutes. If they have spoken earlier, they will not be able to speak a second time.
Mayor to offer the mover of the motion the right of reply	The mover of the motion has the opportunity to address the objections made by Councillors during the debate. They may speak for up to five minutes.
Mayor puts the motion to the vote	The Mayor will ask Councillors to indicate with a show of hands whether they vote for the motion, against the motion, or if they wish to abstain.

Process for debating motions at Council – amended motion

Sometimes a Councillor (or political group) may wish to make an amendment to a motion. This could be for a variety of different reasons including a clarification of responsibilities, bringing the action within the control of the Council, or to strengthen what is being proposed by being more specific about the action to be taken (the ways in which a motion can be amended are outlined in more detail in the Constitution). When an amendment is proposed, the main debate on the motion is paused and a debate on the amendment is undertaken. At the end of the debate on the amendment a vote is taken. If the amended motion is accepted by Council it becomes the substantive motion and replaces the original motion under debate. The debate continues. A motion can be amended multiple times and in each case the main debate is paused, the amendment is debated and then voted upon. Debate returns to the substantive motion each time. The substantive motion will always reflect the latest version of the motion as agreed upon by Council. The following table explains the process further with text in green highlighting those actions that are specific to debating an amendment to a motion.

Action	Explanation
Mayor to invite the mover of the motion to nominate a seconder	Motions require a mover (the person who has submitted the motion and will propose it to Council) and a seconder (a supporter of the motion). Without a seconder the motion cannot be moved.

They can speak for up to five minutes. This is the point at which amendments will be proposed.
Mayor invites a Councillor to speak	The Councillor that has been invited to speak wishes to propose an amendment to the motion.

Seconded: a councillor who formally supports a motion or an amendment to a motion

Amendment: a proposed change to a motion

Provisions relating to the Budget for the Authority

Once the budget proposals are agreed by the Cabinet, a political group and/or any member of the Council can choose to prepare an alternative budget or amendments. The Finance function will specifically assign a senior finance officer to each political group to support this exercise. Consistent information will be made available to all groups but discussions and requests for supplementary information within the groups are confidential to that group. If similar requests are made by more than one group, officers will take steps to ensure there is no duplication of effort, whilst maintaining group confidentiality.

The alternative budgets / amendments produced must have the effect of providing the Council with a “balanced budget”. This must be determined by the Council’s Section 151 Officer in collaboration with the Council’s Monitoring Officer, following which a budget motion can be submitted for presentation to Full Council. Any motion to amend the Cabinet’s budget proposals will only be permissible if it has been provided to the Council’s Section 151 Officer at least 7 working days prior to the Council’s Budget Meeting; and certified by the Section 151 Officer at least 2 working days prior to the Council’s Budget Meeting as being reasonably calculated and sufficiently deliverable as to be robust and sustainable in the medium term and continue to ensure that reserves are maintained at an adequate level which protects the Council’s financial standing.

Alternative Budget Proposal Commentary

Alternative budget proposals should be published one working day in advance of Council. Further commentary can be provided when specific proposals are released. Alternative proposals are required to include Section 151 commentary which will set out the financial implications of the proposals. In general terms, alternate budget proposals would typically involve one or more of the following:

- An amendment to the proposed Council Tax increase;
- Use of reserves or contingency to fund additional revenue proposals; or
- An expansion of the Capital Programme.

Procedure for Budget Debate

All Group Leaders (or their nominated speaker) will have the opportunity to move a revenue budget or make a budget statement at the meeting in connection with the Medium Term Financial Strategy. If they intend to propose an alternative budget, the details of the proposed amendments should also be submitted in writing to the Chief Executive and Monitoring Officer by the third working day before the meeting, in

Appendix 1

order for them to be considered by the Council's Section 151 Officer prior to the meeting.

Speeches from the Group Leaders (or their nominated speaker) will be time limited in accordance with existing procedure rules and any extension agreed at the meeting with agreement by the Mayor. The Leader of the Council (or nominated speaker) will introduce the report and move The Cabinet's recommendations. This will be the Leader's opportunity to speak on the budget and put forward any proposed additions or amendments. The motion will be seconded by the Leader's nominated Cabinet member. The other Group Leaders (or their nominated spokesperson) will then be given the opportunity to move an alternative budget or make a budget statement. Alternative budget proposals will need to be seconded.

Once all proposals and statements have been made, a vote will be taken on each budget proposal, commencing with the majority group's budget proposal first. If the vote is carried on the first proposal that will conclude the item. If the vote is not carried, the remaining budget proposals will be voted upon in the order in which they were presented, until a motion is carried. The vote on the budget will be taken by way of recorded vote.

Rates of Travelling Allowance and Provisions Relating Thereto (from 1 May 2023)

Travel by public transport (which, for the avoidance of doubt, excludes air travel) where more than one class of fare is available shall be booked/paid for with a view to ensuring best value and economy wherever possible.

The rate for travel by a Councillor's own solo motorcycle will be 24.0p per mile.

The rate for travel by a Councillor's own private motor vehicle, or one belonging to a member of his family or otherwise provided for their use, other than a solo motor cycle, shall be in accordance with the National Joint Council (NJC) rates for officers applying at the relevant time, which, from 1 May 2023 45.0p per mile.

The rates specified may be increased by not more than the amount of any expenditure incurred on tolls, ferries or parking fees and overnight garaging.

The rate for travel by bicycle shall be 20p per mile.

The rate for travel by taxicab or cab shall not exceed:

- in cases of urgency or where no public transport is reasonably available, the amount of the actual fare and any reasonable gratuity paid, and
- in any other case, the amount of the fare for travel by appropriate public transport.

The rate for travel by a hired motor vehicle other than a taxi-cab shall not exceed the rate which would have been applicable had the vehicle belonged to the Councillor who hired it provided that where the body so approves the rate may be increased to an amount not exceeding the actual cost of hiring.

The rate for travel by air shall not exceed the rate applicable to travel by appropriate alternative means of transport together with an allowance equivalent to the amount of any saving in subsistence allowance consequent on travel by air. Provided that if the Council resolves, either generally or specifically, that the saving in time is so substantial as to justify payment of the fare for travel by air, there may be paid an amount not exceeding:

- the ordinary fare or any available cheap fare for travel by regular air service; or
- where no such service is available or in case of urgency, the fare actually paid by the Councillor.

As per the independent panel recommendations, approved March 2015, the rate of allowances will remain in parity with officer allowance rates.

The cost of travel outside of the UK shall not be reimbursed unless it has previously been authorised by the Council.

Appendix 1

Travel allowances to be payable from home to place of duty, or another location (if applicable and less), except that where a Councillor's main residence is no longer in Rushcliffe and is a greater distance than their last qualifying address in the Borough, such allowances shall be payable from the latter.
