

# Rushcliffe Borough Council – Scrutiny Matrix

<b>Councillor Request for Scrutiny</b>		
Councillors Barney, Brennan, Clarke, Combellack, Dickman, and Upton		
<b>Proposed topic of scrutiny ...</b>	<b>Sewerage Infrastructure and Discharge within Rushcliffe</b>	
<b>I would like to understand ... (key lines of enquiry)</b>	<p>Councillors are concerned about sewage infrastructure and unlawful discharges in the Borough and the impact on the environment, humans and wildlife locally.</p> <p>Councillors need to be in a position to reassure residents that sewage is fully treated before any discharge to water courses; a better understanding of the sewage system and controls within the Borough and how the situation can be addressed would therefore be helpful.</p> <p>At Growth and Development Scrutiny in September 2022, representatives from Severn Trent Water and the Environment Agency attended to inform Councillors about the situation in Rushcliffe regarding sewage infrastructure and unlawful discharges and their respective roles. At that meeting it was resolved that further scrutiny, related to the issue be brought back to a future meeting of the committee.</p> <p>As the lead local flood authority, Councillors would like to invite Nottinghamshire County Council to attend a meeting of the committee, to provide an overview of their role with regards to Sewerage Infrastructure and Discharge within Rushcliffe and to set out their relevant plans for the coming year.</p>
