9 Appointment of Representatives to Outside Bodies 2018/19

The Leader presented the report of the Executive Manager – Finance and Corporate Services setting out the appointments to Outside Bodies for the municipal year 2018/19. The Leader advised that there had been a review the list of Outside Bodies that the Council formally appointed to, but that Councillors could request that they attended meetings of other organisations not receiving a formal appointment if they wished.

Councillor Edwards supported the principle of reviewing the number of Outside bodies appointed to, but advised that there were some organisations including the Rushcliffe Community Voluntary Service and the Citizens Advice Bureau which he thought it was still important received a formal appointment to ensure the Council was represented adequately. Councillor Edwards also noted that it was important that the representatives on Outside Bodies reported back to all Councillors on their activities. Councillor S Mallender noted that while there had been some consultation on the rationalisation of the number of formal appointments some of the organisations no longer receiving a formal appointment had close links with the Council, with Council officers attending

their meetings. Councillor Mallender noted that she would like to be Council's representatives on the Rushcliffe Nature Conservation Strategy Implementation Group; this however she thought should be a formal appointment.

Councillor Robinson noted these concerns and advised that the list of Outside Bodies appointed to would be reviewed in one year's time.
