Report of the Executive Manager – Finance and Corporate Services

1. Summary

In response to a question raised by Councillor Way regarding the limited access to cash machines in some village centres the Executive Manager – Communities advised that this was addressed at a recent Town and Parish Forum. However, In light of the current Covid-19 pandemic and the increased use of card payments to help prevent the spread of the virus, future discussions on a cashless society will be deferred to the meeting on 21 January 2021

Members are asked to propose future topics to be considered by the Group, in line with the Council's priorities which are:
