Dear David

**Rushcliffe Borough Council - audit for year ended 31 March 2020**

This representation letter is provided in connection with your audit of the financial statements of Rushcliffe Borough Council (the 'Council') and the consolidated financial statements of the Council and its subsidiaries (the 'Group') for the year ended 31 March 2020 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 (the Code).

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience and, where appropriate, inspection of supporting documentation, sufficient to satisfy myself that I can properly make each of the following representations to you.

**My responsibility for the statement of accounts and accounting information**

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the statement of accounts in accordance with the Code and applicable law.

**My responsibility to provide and disclose relevant information**

I have provided you with:

- access to all information of which I am aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- additional information that you have requested from us for the purpose of the audit;  
and
- unrestricted access to individuals within the Council you determined it was necessary to contact in order to obtain audit evidence.

I confirm as s151 Officer that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information.

As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

**Accounting records**

I confirm that all transactions undertaken by the Council (and the Group) have been properly recorded in the accounting records and are reflected in the financial statements. All other

records and related information, including minutes of all Council and Committee meetings, have been made available to you.

### **Accounting policies**

I confirm that I have reviewed the accounting policies applied during the year in accordance with the Code and International Accounting Standard 8 and consider these policies to faithfully represent the effects of transactions, other events or conditions on the Council and Group's financial position, financial performance and cash flows.

### **Accounting estimates, including those measured at fair value**

I confirm that any significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

I confirm that I am satisfied that the actuarial assumptions underlying the valuation of pension scheme liabilities for IAS19 disclosures are consistent with my knowledge. I confirm that all settlements and curtailments have been identified and properly accounted for. I confirm that all significant retirement benefits have been identified and properly accounted for (including any arrangements that are statutory, contractual or implicit in the employer's actions, that arise in the UK or overseas, that are funded or unfunded).

### **Material Valuation Uncertainty**

The outbreak of COVID-19, has impacted global financial markets and as such identified that less weight can be attached to the previous market evidence for comparison purposes and to inform opinions of value. The current response to COVID-19 has resulted in an unprecedented set of circumstances on which to base judgement, resulting in the valuations recognised within the Statement of Accounts being reported on the basis of 'material valuation uncertainty' as per VPS 3 and VPGA 10 of the RICS Red Book Global. Given the unknown future impact that COVID-19 might have on the real estate market. I am satisfied that sufficient and appropriate disclosures have been made in the Statement of Accounts to reflect the impact of 'material valuation uncertainty' on the Council's assets.

### **Contingencies**

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains not already disclosed.

All material matters, including unasserted claims, that may result in litigation against the Council (and the Group) have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code and applicable law.

### **Laws and regulations**

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom. We have complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

### **Fraud and error**

I acknowledge my responsibility as s151 Officer, for the design, implementation and maintenance of internal control to prevent and detect fraud and error.

I have disclosed to you:

- all the results of my assessment of the risk that the financial statements of the Council (and the Group) may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the entity involving:
  - management and those charged with governance;
  - employees who have significant roles in internal control; and
  - others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Council's (or the Group's) financial statements communicated by employees, former employees, analysts, regulators or others.

### **Related party transactions**

I confirm that all related party relationships, transactions and balances, have been appropriately accounted for and disclosed in accordance with the requirements of the Code and applicable law.

I have disclosed to you the identity of the Council's related parties and all related party relationships and transactions of which I am aware.

### **Impairment review**

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the property, plant and equipment and intangible assets below their carrying value at the statement of financial position date. In particular, I have considered the impact of Covid-19 on our Investment Properties. An impairment review is therefore not considered necessary

### **Charges on assets**

All the Council's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

### **Future commitments**

I am not aware of any plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

### **Subsequent events**

I confirm all events subsequent to the date of the financial statements and for which the Code require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

**Going concern**

To the best of my knowledge there is nothing to indicate that the Council will not continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

I have updated our going concern assessment in light of the Covid-19 pandemic. I continue to believe that the Council's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that current and future sources of funding or support will be more than adequate for the Council's needs. We believe that no further disclosures relating to the Council's ability to continue as a going concern need to be made in the financial statements

**Annual Governance Statement**

I am satisfied that the Annual Governance Statement (AGS) fairly reflects the Council's risk assurance and governance framework and I confirm that I am not aware of any significant risks that are not disclosed within the AGS

**Narrative report**

The disclosures within the Narrative Report fairly reflect my understanding of the Council's financial and operating performance over the period covered by the financial statements

**Unadjusted misstatements**

I confirm that the effects of the uncorrected misstatements are immaterial, both individually and in aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to this letter at Appendix 1.

**Ultimate parent company**

I confirm that the ultimate parent company for Rushcliffe Borough Council is the Ministry of Housing, Communities and Local Government.

This letter was tabled and approved at the meeting of the Governance Group on 24 November 2020

Yours faithfully

.....

Peter Linfield -Deputy Chief Executive and Executive Manager – Finance and Corporate Services

.....

Councillor Purdue-Horan - Chair of the Governance Group
