Work Programme

Report of the Director – Finance and Corporate Services

1. Summary

- 1.1. The work programme is a standing item for discussion at each meeting of the Governance Scrutiny Group. In determining the proposed work programme due regard has been given to matters usually reported to the Group and the timing of issues to ensure best fit within the Council's decision making process.
- 1.2. The table does not take into account any items that need to be considered by the Group as special items. These may occur, for example, through changes required to the Constitution or financial regulations, which have an impact on the internal controls of the Council.
- 1.3. The future work programme will be updated and agreed at the next meeting of the Corporate Overview Group on 2 November 2021, including any items raised via the scrutiny matrix.
